

4th - 6th Grade Supply List

Dear Parents,

We would like to give you some advance notice of your student supply needs for next year. Below is a list of supplies your student will need for a successful year. We appreciate your support in providing the supplies listed. If this list provides a financial hardship, please let the office know before the first day of school. As you can see, your student will be very busy learning organizational skills. Having the right tools is very helpful to his or her success. **Students should come to school with the listed supplies on the first day or by the end of the first week.**
