

Colfax Elementary School District in Placer County, California is advertising for Request for Proposals (RFP) from interested firms for an energy conservation project.

Scope of Work

The District intends to select a qualified provider for the development, implementation, and monitoring of a comprehensive utility savings program. Upon award, the District will enter into a professional services agreement pursuant to Government Code section 53060. for a ASHRAE Level 2 audit ("Audit") in compliance State of California Prop. 39 guidelines. Through this RFP, the District is seeking proposals from qualified firms in order to identify and select the most qualified Energy Services design-build contractor respondent to do each of two separate scopes of work:

- 1) Perform an ASHRAE Level 2 Audit fully compliant with State of California Prop. 39 guidelines; and
- 2) Implement and monitor, on a district-wide basis, energy savings project(s) at schools within the District based on the energy

Details, requirements and deadlines regarding this RFP are posted at www.colfax.k12.ca.us. **All proposals must be received no later than 2 p.m. on April 12th, 2017** at Colfax Elementary School District 24825 Ben Taylor Road, Colfax CA 95713
