

# Colfax Elementary School

## 6th, 7th and 8th Grade Supply List

Students will be expected to have all supplies on the first day of school. If this is a financial hardship, please let the office know before the school year begins. **Please note the specific colors and sizes of supplies, as those details will be important in our study skills program.** Also, please do NOT label ANY of your supplies until the first day of school, as we will be doing those tasks together that first day.

As part of the 6th 7th and 8th grade study skills program, students are required to keep a daily assignment calendar. Students will be asked to purchase planners for \$5. If obtaining any of the required supplies/planner is a financial hardship, please let the office know before the school year begins.
