

SUGGESTED STUDENT SUPPLIES

Parents can help support Colfax Elementary School by providing basic supply items for your child/children from the list below. This is not required and no student will be prevented from full participation in any school activities if they cannot provide the supplies. Individual program coordinators may ask for different and / or additional items throughout the year. Your support in this request will be greatly appreciated. If you would like to donate extra supplies, that too would be greatly appreciated.

All items should have child's name written on them with permanent marker EXCEPT TK/KINDERGARTEN AND 1ST GRADE.

6th, 7th and 8th Grade

Please check your mail. Our 6th, 7th and 8th grade teachers will be mailing letters to all of the 6th, 7th and 8th grade students this summer which will include their suggested supply list.

Thank you

As school begins, students and parents will be receiving information about each teacher's method of communication between home and school. Daily and weekly assignment calendars will be used to help students learn to manage school responsibility effectively and to help parents know what is being done in the classroom on a daily basis.
